

Ready to work where others go on holiday? Join Hotel Auwirt in Austria!

At Hotel Auwirt, we're always on the lookout for passionate team members and stunning hotel locations — all in the heart of beautiful Austria! We specialize in creating unforgettable experiences for both business groups (short ski trips) and leisure guests.

And here's the secret ingredient: **our team**. They're the heartbeat of our hospitality, turning great stays into truly memorable ones.

This winter, we're looking for a true hospitality star to deliver top-notch service to our guests. Are you an enthusiastic and experienced hotelier with a passion for people? Do you want to help shape an exciting hotel concept in Austria? Then this opportunity is for you!

Come join us — let's create something special together!

What we love about you:

Flexible – You're curious and eager to learn all aspects of hotel life. Whether it's breakfast service, bar shifts, front office tasks or supporting in the kitchen, you're open to it all. Prefer to specialize? That's possible too!

Proactive – You think ahead and spot ways to improve. You're not afraid to share your ideas with management, because you're here to grow — and help us grow too.

Smart – You speak English and/or German fluently, and you use your language skills to create clear and warm communication with guests.

Passionate – You love delivering great service and it shows. Guest satisfaction is your priority, and you're always open to feedback — about the hotel, the team, and even yourself.

Is your life motto **“Work hard, play hard”**? Then you'll fit right in!

What we offer:

- A good salary
- Meals and a warm bed at night
- A dynamic, entrepreneurial work environment (yes, we make mistakes — but we learn and grow from them)
- A one-of-a-kind work experience in breathtaking Saalbach

What you bring to the table:

- Experience in hospitality, ideally in a similar setting
- Solid communication skills in English and/or German
- A team spirit, but you're also confident working independently
- Flexible when it comes to shifts and workdays
- Available from **01-12-2025 to 01-04-2026**

 Got questions about this once-in-a-lifetime job? Or ready to surprise us with a unique vlog or motivational letter + CV?
